

**ACHD Virtual 2020**

Advanced Symposium on  
Congenital Heart Disease in the Adult

21-22 September 2020

## **ACHD Virtual 2020, 21<sup>st</sup> – 22<sup>nd</sup> September 2020 - Sponsorship Opportunities**

### **Background:**

We are pleased with the continued support the meeting has received over the past 2 decades. The symposium's primary focus remains to provide a forum for lively debate on the latest clinical, catheter intervention, surgical and scientific developments in the world of congenital cardiology and pulmonary hypertension.

Leaders in the respective fields from across Europe and the rest of the world will present and discuss the latest advances. This meeting has been organised by Professor Michael Gatzoulis as with previous meetings.

We will be using a state-of-the-art virtual events platform to host a fully interactive conference, which will consist of two days of high-quality educational content. Make no mistake, this is not another standard webinar. Our virtual event platform offers interactive seminars, including chat, Q&A and live polling options. But it also includes an online exhibition space, a virtual poster presentation section, and there are numerous networking opportunities for delegates, in our virtual networking breakout spaces. This would include the launch of the New Journal "International Journal of Cardiology-Congenital Heart Disease", where 20 of the top abstracts will be published later on in the year and Meet the CHD Greats Hall of Fame.

### **Benefits of sponsoring a virtual meeting:**

- Potential for far higher delegate numbers; as it is easier/cheaper for them to attend online
- Increased geographical spread of International delegates
- No additional travel/accommodation costs

### **Sponsorship options:**

#### **Platinum**

10x exhibition registrations per day. Sponsor representatives are granted full access to their virtual exhibition stand, online meeting, public satellite meetings, networking hub and poster presentations.

Furthermore, the platinum sponsorship package includes:

- Acknowledgement in the final programme and all printed meeting literature
- Company logo on the ACHD 12 website homepage
- A link from the ACHD 12 website homepage to a web page of your choice
- Option for a sponsored symposium
- Access to the recorded meeting, including sponsored symposium
- Option to have downloadable PDFs for delegate to browse on the virtual stand

**£5,000**

#### **Gold**

5x exhibition registrations per day. Sponsor representatives are granted full access to their virtual exhibition stand, online meeting, public satellite meetings, networking hub and poster presentations.
